Weekly Report

25X1

Directorate of Administration

- OP is reestablishing the Employees Available for Reassignment (EAR) publication. EAR will be a vacancy notice system in reverse designed to bring individuals who are available for or are interested in a reassignment to management's attention. OP's goal is to provide the service to qualified candidates in an effort to match individual skills and experience with legitimate Agency staffing requirements. OP plans to publish EAR on a monthly basis for a six-month trial period. 25X1
- Considerable use of explosives at the new building site has been necessary during the past week. Procedures regarding their use were reviewed with the contractor and the program is being carefully monitored by Safety Staff personnel. No unfavorable incidents have occurred.

Directorate of Operations - No report.Directorate of Science and Technology

25X1

**SECRET**

**SECRET**

25X1

Directorate of Intelligence

- ACIS reports that the Community is progressing slowly on both the NSDD-121 and SSCI reports on enhancements to U.S. intelligence and telemetry alternatives, respectively.

25X1

- ACIS reports that the President's report to Congress on 17 Soviet compliance issues is due to the NSC Verification Committee on 1 November.

25X1

- OSWR is preparing a tech transfer briefing [redacted] and, with NESAs, is supporting the U.S. Team negotiating a tech transfer Memorandum of Understanding with the Indian Government.

25X1

National Intelligence Council

- NFIB coordination meetings were held for the following interagency papers: Memorandum to Holders of IIM 82-10002: Prospects for Anti-U.S. Terrorism; NIE 3-84: Political Repercussions of the Debt Crisis in Major LDCs; NIE 94-84: Peru: Economic and Political Prospects; and SNIE 11-1/7-84: The Potential for the Transfer of U.S. Space Technology to the Soviet Union.
- NIO at Large (Hal Ford), in response to NSC tasking on Radio Marti, and with the participation of officers of the DDI, DO, and the NIC/AG, prepared a memorandum for C/NIC on certain possible Cuban actions.
- NIO/Counterterrorism (David Whipple) met with the Chief of Intelligence and Security of the Armed Forces Inaugural Committee for a briefing on preparations for the Presidential inauguration, and to offer suggestions on protecting against terrorism.
- John Bird was appointed NIO/Warning.

25X1

Office of General Counsel**SECRET**

**SECRET**

Office of Inspector General - No report.

25X1

Office of Comptroller

Office of Legislative Liaison

- OLL has been able to confirm that the Agency was successful in including Intelligence Committee personnel in the list of federal officials protected by federal law in the Continuing Resolution. The amendment also expands the coverage to assaults on the immediate family of Intelligence Community personnel, including the DCI and DDCI.

Public Affairs Office - No report.

Upcoming Calendar

DDCI out of town through 6 November.

25 October - Meeting with Assistant to the President for National Security Affairs  
(DCI)

26 October - Breakfast with Secretary of Defense (DCI)  
- Lunch with Secretary of State (DCI)

19 October 1984

MEMORANDUM FOR: Director of Central Intelligence

FROM: Harry E. Fitzwater  
Deputy Director for Administration

SUBJECT: Weekly Report for Period Ending 19 October 1984

1. Progress reports on tasks assigned by the DCI/DDCI:

None.

2. Items/events of interest:

a. On 15 and 16 October, the Director of Security participated in the annual conference of the DCI's Security Committee [REDACTED]

25X1

[REDACTED] The Agency focused on long-range planning for the organization. Security Directors from the other Intelligence Community agencies also participated in this conference. Office of Security representatives made presentations to conference attendees.

25X1

25X1

25X1

d. The Combined SAFE Project Office gave a SAFE status briefing on 17 October to the annual DoD Intelligence Information System Managers Conference held at Gettysburg, Pennsylvania. This was an opportunity to bring the representatives of the worldwide defense intelligence community up to date on SAFE.

## S E C R E T

e. [redacted] was recently selected to fill the vacant long-range truck driver position [redacted] This represents the first assignment of a woman to trucking operations in the Agency.

25X1

25X1

f. Two OMB representatives met with and were briefed by, at OMB's request, Office of Finance and Comptroller representatives on the Agency's progress in implementing the Financial Integrity Act. The OMB representatives have been charged with visiting each Agency to determine progress in implementing the Act.

g. The Office of Personnel (OP) is reestablishing the Employees Available for Reassignment (EAR) publication. EAR will be a vacancy notice system in reverse designed to bring individuals who are available for or are interested in a reassignment to management's attention. OP's goal is to provide the service to qualified candidates in an effort to match individual skills and experience with legitimate Agency staffing requirements. OP plans to publish EAR on a monthly basis for a six-month trial period.

h. The data for the final pay period of FY 1984 are now in and OP has begun to examine its forecasting techniques against actual FY 1984 manpower flows. Initial reviews show that some models used by OP to forecast manpower flows were amazingly accurate. [redacted]

25X1

25X1

[redacted]  
forecasting techniques and make any useful modifications that can be utilized to sharpen projections for FY 1985 and beyond.

25X1

i. Review of reports covering the fourteen fire drills conducted in buildings occupied by Agency personnel in the Headquarters area indicated that only minor problems were encountered. Evacuation times ranged from five minutes to ten minutes. A fire drill in the Headquarters Building is being planned during the week of 22 October.

j. Considerable use of explosives at the new building site has been necessary during the past week. Procedures regarding their use were reviewed with the contractor and the program is being carefully monitored by Safety Staff personnel. No unfavorable incidents have occurred.

### 3. Significant activities anticipated during the coming week:

a. On Tuesday evening, 23 October, the DDA will address the [redacted]

25X1

25X1

b. On Wednesday, 24 October, the DDA will open a Logistics familiarization briefing for Allied Maintenance Corporation personnel in the auditorium.

OFFICE OF THE COMPTROLLER

WEEKLY REPORT FOR THE DCI

19 October 1984

1984

- A meeting will be held with the Directors of Finance, Logistics, and Data Processing next week to discuss the problems encountered with the Contract Information (CONIF) System, which caused a considerable delay in completing yearend closing procedures.

1985

- Our best estimate of congressional action on our FY 1985 budget was sent to each Deputy Director for review pending receipt of final reports from the Hill.

1986

- A wrapup session will be held with OMB and ICS examiners to review the past three weeks of hearings on the 1986 program, to give them an opportunity to ask any unanswered questions, and to get a better feel for their position as a result of our efforts.

1987

- We have scheduled meetings with each of the Deputy Directors to discuss their views about guidance for the FY 1987 program.
